Dear Jeff:

Re: October 4th. 2007 Funding Announcement Event

I would like you, and the all other participants, to know how very much I enjoyed attending this wonderful event. A cabinet minister is privileged to be present at many interesting and memorable functions, but some stay with you for the rest of your life - and this was certainly one of those occasions.

I would ask that you please pass on my personal thanks to Melinda Rundel and Ashleigh Dukoff for their individual contributions to this special celebration. Their courage in the face of enormous adversity; their obvious delight in life and their willingness to embrace every future opportunity was very uplifting.

I wish you every success as you continue to work with these exceptional human beings, and the many like them, who strive each and every day to lead meaningful and productive lives.

Yours truly,
